Frequently Asked Questions

No previous experience required nor do you have to be an athlete of any sort to take part! Everyone has an equal chance of success and is kept occupied at all times.

The great advantage of rowing is the way that teams develop their teamwork skills in an effective and meaningful way. It's not only the obvious benefits of teamwork which are enjoyed; but, the bringing together of everyone within the team, and the amalgamation of their strengths to achieve a result, which is so rewarding. Most important of all, the shared experience is invaluable for team cohesion

Do I need to be able to swim?

No. This is only necessary if you wish to take up rowing as a hobby but not for the experience / team building day. We can also provide lifejackets if anyone feels uncomfortable.

Min/max group size?

Our boats are the same as the Cambridge Oxford 'eight' boat so we need a min of 8 people in each boat. We can accommodate group sizes of up to 100 people*

Can you offer lunch/drinks?

Yes. We have a licenced bar for post outing drinks and also offer a lunch option.

Can we bring Spectators?

Absolutely. We have a stunning clubroom and balcony area where spectators can watch from.

What if I'm not fit enough... or too old?

Don't worry! This is designed to be a fun experience to bring the team together - and a great opportunity to try the most iconic sport in Cambridge.

Can you tailor the event?

Absolutely. We can tailor the event based on your requirement i.e. duration, group size, abilities and budget
